MAKE IT HAPPEN AT BRADDOCK
OUR VISION
Empowerment through Academics

OUR MISSION
We are committed to providing a rigorous, safe, technologically integrated learning community empowering students to become responsible and productive global citizens.

OUR BELIEFS
- Setting high EXPECTATIONS and helping students achieve them
- Strengthening higher level reasoning and PROBLEM SOLVING skills
- Establishing a RELATIONSHIP between school and career development
- Providing each student with INDIVIDUALIZED guidance
- Designing and supporting a tutorial program for the ACCELERATION of student learning
OUR CORE VALUE IS TO CREATE:

P - Prepared
R - Responsive
I - Individuals
D - Defining
E - Excellence
College credit can be earned through both the Cambridge International Examinations Program, as well as a comprehensive AP program, and Dual Enrollment through Florida International University (FIU).

AICE courses and examinations are equivalent to first year and a half of college and university courses (up to 45 total credit hours).

Earn the internationally recognized University of Cambridge AICE Diploma which guarantees the highest level of the Bright Futures Scholarship.

**Did You Know?**

The Cambridge Diploma includes a full Bright Futures Scholarship worth more than $30,000.
All of the benefits from the Cambridge Global Studies Magnet in addition to:

- MacBook Air is given to students during the four years
- Internship opportunities during 11th and 12th grade year
- Classrooms that break traditional format in a setting that is more reminiscent of a café or their own homes

The iPrep Cambridge Academy incorporates innovative teaching strategies in a technology-rich environment while allowing the opportunity for students to earn college credit, a University of Cambridge diploma, and the Bright Future’s Scholarship.

**BENEFITS**

All of the benefits from the Cambridge Global Studies Magnet in addition to:

- MacBook Air is given to students during the four years
- Internship opportunities during 11th and 12th grade year
- Classrooms that break traditional format in a setting that is more reminiscent of a café or their own homes

**Did You Know?**

iPrep Cambridge is not a virtual program. You will have an actual teacher for each course.
The Information Technology Magnet in conjunction with NAF (National Academy Foundation) develops young talent for the ever-expanding digital workplace through innovative courses offered in programming, digital design, technical support, and gaming.

**BENEFITS**

- Industry certification opportunities
- Access to a wide range of potential paid internship
- Opportunities to take FIU Dual Enrollment course

**Did You Know?**

Students participate in the NAFTrack Certified Hiring, a commitment made by top companies to give special consideration to NAFTrack.
Braddock’s S.T.E.M. (Science, Technology, Engineering, and Math) Academy provides students with opportunities to enrich the mind, spark the imagination, and ignite intellectual risk taking while preparing students to compete in our global society.

**S.T.E.M. Academy**

Braddock’s S.T.E.M. (Science, Technology, Engineering, and Math) Academy provides students with opportunities to enrich the mind, spark the imagination, and ignite intellectual risk taking while preparing students to compete in our global society.
