THE CAMBRIDGE GLOBAL STUDIES MAGNET GRADUATE

Cambridge Global Studies Magnet (C.G.S.M.) graduates will have developed the knowledge, skills and attitudes that will empower them to work toward viable solutions to the urgent global issues that threaten our planet.

Approaching their academic life with a consciously open mind and aware of their own cultural perspectives, C.G.S.M. graduates will be passionate learners who practice effective communications skills - including active listening - and will know the value of objectively weighing different points of view.

C.G.S.M. graduates will recognize and value the extraordinary variety of the human condition within different cultural mindsets and will hold themselves to a high ethical standard, practicing tolerance, compassion, and altruism.

Empowered with the awareness that one person CAN make a difference, C.G.S.M. graduates will be defenders of human rights and - as motivated agents for change - will work toward improved conditions for ALL of earth’s inhabitants, thus making our world a better place in which to live.
